Introduction:

PEPS Administration & Management launched The School Prefect System designed to nurture student leadership, responsibility, discipline, and civic values in alignment with the UAE National Agenda and school vision. The initiative aims to develop responsible, confident, and principled student leaders who act as positive role models within the school community. The prefect system supports student voice, leadership development, and pastoral care, while reinforcing the school's behaviour policy, safeguarding expectations, wellbeing and discipline system.

This report outlines the objectives, scope, structure, implementation plan, roles, selection process, monitoring system, and expected outcomes of launching the School Prefect system Initiative. Evidence photos of selected prefects in girls & boys' sections.
