

HABITAT SCHOOL
AL JURF, AJMAN

Important Updates on School Reopening & Schedule (20-21 April 2026)

Circular No: HB/AC/26-27/17

Dated: 19/04/2026

Dear Parents,
Greetings!

Hope you are doing well and keeping safe.

We are happy to share with you that we will be calling in all our staff on Monday, 20th April to conduct a staff training for the safe resumption of classes in line with latest Ministry guidelines on the Phased Resumption of In Person Education. This training is essential to ensure the readiness of the campus, classrooms, and all relevant safety protocols.

As all staff will be attending scheduled training sessions at the school for the day, there will be no live online classes on Monday 20th April from KG1 to Grade 12. Instead, students will receive tasks and assignments from teachers through the Portal / LMS which they are expected to complete on this day.

We would also like to inform you that the school has submitted a detailed plan to the authorities for a staggered, section wise reopening of in-person classes starting from 21st April 2026.

We are currently awaiting Ministry approvals and expect to receive them by Monday 20th April. Based on approval status, further updates will be communicated at the earliest.

We appreciate your understanding and cooperation as we take these necessary steps to ensure a safe and smooth transition back to school. At Habitat, student safety and safeguarding is our utmost priority and we are working to ensure that all safety and safeguarding provisions are in place as we prepare to welcome students to school.
