FRUITS WEEK CELEBRATION – KINDERGARTEN

Dear Parents,

We are delighted to announce **"Fruits Fiesta "** for our Kindergarten students. The week aims to help children learn about different types of fruits, their nutritional value, and healthy eating habits through fun-filled activities. During the week, children will be introduced to: **Seedless Fruits** **One-Seeded Fruits** **Many-Seeded Fruits**

Each day, a different fruit category will be highlighted through activities.

1. **Categorized Fruit Days**: Each day, students are requested to bring a specific type of fruit in their snack box according to the following schedule:

Day and Date	Category of fruits
Monday 8th June 2026	Many Seeded Fruits:
Tuesday, 9th June 2026	One seeded Fruits:
Wednesday, 10th June 2026	Seedless
Thursday 11th June 2026	Fruit Salad Day & Assembly

Educational Activities: Throughout the week, students will participate in a variety of fruit-themed educational activities, including, Fruit Identification Games,Story Time, Fruit Crafts, Fruit Experiments -float -sink, Lemon volcano fruit taste test and seed hunt.

Fruit Salad Day : Parents are requested to send fruits of the child's choice to make the fruit salad . They may wear costumes or cutout of a fruit for the Fruit Salad Day Assembly.

This celebration will help children identify different fruits, understand their seeds, and develop healthy food habits while learning through play and creativity.We look forward to an exciting and enjoyable Fruits Week with our little learners!

Warm Regards,

Dr.S.J.Jacob (Principal)
