

Our model for success is a better life for everyone and purposeful tasks for our employees. For more than 50 years, the Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ), as a company of the German Federal Government, has been supporting the implementation of development policy goals worldwide. Together with partner organisations in 120 countries, we are involved in a diverse range of projects. If you want to make a difference in the world and develop yourself in the process, you've come to the right place.

For our operations in Dakar/Senegal, we are looking for an

DEVELOPMENT WORKER (M/F/D) AS PRODUCT MANAGER FOR THE DIGITALIZATION ADMINISTRATION PROCESSES IN SENEGAL

ASSIGNMENT PERIOD: 09/01/2022 - 08/31/20

Field of activity

The project supports Senegal's labor law reform. In addition to consulting on strategic policy development in the field of labor law, it supports the central (Ministry of Labor) and deconcentrated partner structures (regional labor inspectorates) in optimizing administrative procedures, developing and conducting educational trainings, optimizing the cooperation with labor courts and expanding social security systems to the informal sector.

Your tasks

- Advise the inter-institutional working group on process design (workflow definition, technical specifications, contract requirements (e.g. regarding server hosting and maintenance)); the working group consists of the Ministry of Labor, the ADIE (governmental digitization agency), external service providers and GIZ
- Support process management and the interaction of the various stakeholders
- Support the training of the different user groups (clients/ business owners, employees)
- Support the establishment of decentralized service centers for platform use

Your profile

- Knowledge of IT systems engineering (advantage: in the area of public sector/ administration) and system administration
- Knowledge of software and database management or development
- Experience in conducting trainings and process consulting as well as with moderation of trainings
- Business fluent in English and French

If we caught your interest, we are looking forward to your application until 07/10/2022.
