2019 organic chardonnay
contains only naturally occurring sulfites - no added sulfites

KWAYA

Kwaya is the Hausa word for seed. Seeds have the power of unity. Our sisterhood, our brotherhood, our tribes, our communities grow from strong roots and interconnected understanding.

Since time immemorial, seeds give us life, regenerate our crops, and provide the rich biodiversity inherent in organic agriculture.

The Kwaya Organic Chardonnay is crisp and light with some honeyed sweetness on the finish. It's perfect with bread and cheese. Let's grow together.
