TORRONTES 2006

Alta Vista, from the French Edonis family wine group, has the pleasure to introduce Argentinean wines which express the true typicity of its varietals and terroirs. The quality Premium is the fruit of our expertise of adapting to each varietal our knowledge and experience of viticulture, winemaking and ageing in order to enhance its own expression.

We invite you to enjoy our wines around the world and appreciate to its full extent this agreeable Argentinean experience.

This Torrontes grows in the northern part of the Argentina Andes mountains at 5 400 feet above sea level.

The temperature of service must be adapted to each varietal. To appreciate all of its characteristics, we recommend serving this Premium Torrontes between 7 to 8°C (45 and 46°F).

This wine is a natural product therefore it can have sediments in the bottle.
