David Stewart

NON CHILL-FILTERED — The Balvenie
SINGLE BARREL is not chill-filtered. At lower
temperatures, or on the addition of water, a slight
haze may occasionally develop. This is perfectly
natural and does not in any way impair the
quality of this single malt.

TRADITIONAL OAK — This single malt has
been matured exclusively in a REFILL AMERICAN
OAK CASK for at least TWENTY FIVE YEARS. Our
Malt Master carefully samples the aged whisky, cask
by cask.

He will only select single malt characterised by
the subtle spices and rich honeyed sweetness
he expects from maturation in this type of cask
to be bottled as *The Balvenie Single Barrel*
TRADITIONAL OAK.

Distilled at
THE BALVENIE®
Distillery Banffshire

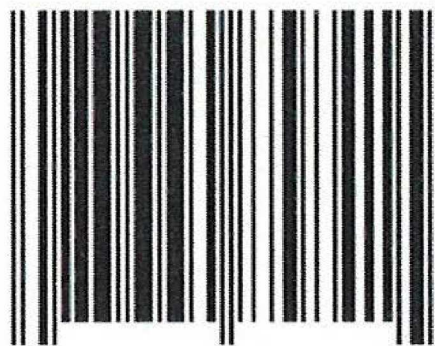

THE BALVENIE DISTILLERY remains totally dedicated to the *traditions, care and craftsmanship* of malt whisky making and has been owned and managed by the same *independent* family company for five generations.

Nowhere else will you find a distillery that still grows its own barley, that still malts in its own traditional floor maltings, that still has coopers to tend the casks and a coppersmith to tend the stills.

From this Distillery comes
THE BALVENIE SINGLE BARREL TRADITIONAL OAK
characterised by subtle spices and
a rich honeyed sweetness
