ASCENSION COFFEE PORTER

This delightful creation begins as a smooth, dark and roasty Baltic-style Porter. Upon aging, we add Ascension Coffee Roasters' cold brew coffee and beans using several methods to create an intense coffee aroma and flavor with notes of caramel, almonds and tobacco.

For this specialty brew, partnering with our neighbor, Ascension Coffee Roasters was an easy decision: they source high quality, farmer-focused beans, and Russell the owner - is simply a coffee genius. He routinely travels the world visiting his farms to ensure the highest quality beans. For this beer he directly sourced fully washed Arabica beans from farmers at Sigri Estate (5,000 ft. elevation), in the Western Highlands of Papua New Guinea.
