SANCERRE
LOIRE VALLEY, FRANCE
900 CASES

+ Story: From the lofty Piton, or hilltop, of Sancerre, ancient soils of limestone and silex cascade towards the western bank of the Loire River. This distinct soil, perched on a base of Kimmeridgian marl, is why Sauvignon Blanc from Sancerre has found its way on the world's top restaurant wine lists. This is a wine with an aristocratic heritage and a welcoming character.

+ Taste: A delicate perfume of white flowers with hints of citrus and flint give way to a silken texture and grapefruit-laced finish. Balanced and crisp, this is a wine destined for the finest tables, but happiest among a humble goat cheese topped salad.

GOVERNMENT WARNING: (1) ACCORDING TO THE SURGEON GENERAL, WOMEN SHOULD NOT DRINK ALCOHOLIC BEVERAGES DURING PREGNANCY BECAUSE OF THE RISK OF BIRTH DEFECTS. (2) CONSUMPTION OF ALCOHOLIC BEVERAGES IMPAIRS YOUR ABILITY TO DRIVE A CAR OR OPERATE MACHINERY, AND MAY CAUSE HEALTH PROBLEMS.
