~ Legend of Barracuda Cay ~

In 1836 the three mast schooner the Barracuda hit the reef off of a remote uncharted Caribbean island whilst carrying a cargo of spices, tropical fruits and rum back to England. Being stranded, Captain Abe Anderson took the crew and cargo and set up camp. Realizing he was going to be there for some time he renamed the island "Barracuda Cay". The product in this bottle is a recreation of the original Barracuda Rum.
