Reserve Tempranillo
TEXAS HIGH PLAINS

Tempranillo is from the legendary Rioja region of Spain and is the region's most dominant red grape varietal. Northern Spain has climate and weather conditions similar to West Texas. Tempranillo thrives in the heat and has found a new home on the Texas High Plains.

This *Reserve Tempranillo* wine was aged and refined for 14 months in French and American oak barrels by our winemaker, David Mueller. These barrels add a unique smoky profile to the luscious red fruit. English Newsom Cellars encourages you to open a bottle and share it with friends and family. From our family to yours, Salud!
