Rejoice!

A Better Way to Drink

We believe better health comes from better choices – and the alcohol you drink should be no exception. From the world's most loved Kombucha company comes a thoughtfully crafted Hard Kombucha that has just the right amount of ABV without compromising its quality or potency.

This is How We Brew It

Real Kombucha is not normally high in ABV. To achieve higher levels responsibly, we utilize a unique "dual fermentation." This method results in an alcoholic beverage that protects the integrity of Kombucha's desirable properties. Each bottle offers a pure and sophisticated experience for those who want to imbibe while still prioritizing their health and wellbeing.

GT Dier, Founder

GOVERNMENT WARNING:
(1) ACCORDING TO THE SURGEON GENERAL, WOMEN SHOULD NOT DRINK ALCOHOLIC BEVERAGES DURING PREGNANCY BECAUSE OF THE RISK OF BIRTH DEFECTS. (2) CONSUMPTION OF ALCOHOLIC BEVERAGES IMPAIRS YOUR ABILITY TO DRIVE A CAR OR OPERATE MACHINERY AND MAY CAUSE HEALTH PROBLEMS.

GT's Hard Kombucha has an extended fermentation that provides a bold flavor and contains 3% alcohol by volume (no more than 3.2% by weight or 4% volume).
