VODKA with NATURAL
FLAVORS ADDED

The CHESAPEAKE BAY, the grandest of American estuaries, continues to thrive and provide as it has done since the native Americans roamed its shores. The culture and lifestyle of the bay is unique and is an essential piece of the colorful quilt that binds the American experience together.

Our handcrafted vodka is *distilled four times* using only the highest quality AMERICAN GRAINS before being infused with traditional CHESAPEAKE SEASONINGS, made locally in Maryland. The result is a *smooth, savory vodka* with spice and salt. Be proud to serve on the rocks, on the bay, with blue crabs, or in your favorite cocktail.
