Ouroboros:

A dragon devouring its own end to guarantee its future existence.

This symbol was chosen by our founder Jimi Brooks to represent the circle of life and rebirth. While Jimi is no longer with us, his passion for Oregon Riesling and Pinot Noir created a legacy that lives on through his wines, family, and friends.

Derived from sites planted on two major soil types in the Willamette Valley, volcanic basalt and marine sediment, this wine showcases the transparency of our complex geology through depths of flavor and texture.
