Lone Tree Vineyard™ ESTATE PRODUCED

Pinot Noir, more than any other varietal, reflects the vineyard in which it was grown. It is this intriguing aspect of winemaking, which the French call *terroir*, that prompts us to offer our Single Vineyard Selection series.

Lone Tree Vineyard, named for a solitary, old acacia tree within our estate block, sits on the low hills that surround our winery in southern Carneros. Through a combination of diligence and site, Lone Tree Vineyard produces wines of extraordinary richness with intense blackberry and spice flavors.
