## MALBEC ROSÉ

"Hermanos", Brothers in Spanish, because together we have played soccer, we have fought a lot, and we have caused trouble to our parents, but most important we had become best friends and we decided to start our own winery on the hillside of Cafayate. We have located the best vineyards sites in Salta Province between 5.800 and 7.300 feet above sea level. This extreme altitude and 340 days of sun yield wines with intense aromas and soft tannins.
