Rolling Thunder Barrel Works is our barrel making operation located next to the Rogue brewery and distillery in Newport, Oregon. As the first farmer-brewer-distiller-barrel maker in the country, we plane, trim, joint, hoop, hammer, band, toast, croze, bowl, shape, saw, sand, cauterize, and char Oregon oak in an effort to produce about 1 barrel each day. Rolling Thunder is a symbol of our dedication to Doing It Ourselves and staying true to our Oregon roots.
