TEXAS ALCOHOLIC BEVERAGE COMMISSION

This fruit forward dry rosé wine is the result of collaboration between Texas vineyards and our winery. The fruit for this rosé comes from red grapes grown both in the High Plains and in the Hill Country, generating a balanced expression of Texas soil and climate. The deep notes of stone fruit and floral aromatics give this wine a warm inviting presence in the glass.

Enjoy whenever you need to escape to a fun memory or while you are creating new ones!
