*Legend has it that mystical things happen  
in high places... Zeus on Mount Olympus,  
Vikings entering Valhalla, King Arthur  
and Merlin spinning their magic from the  
heights of Camelot.*

Fact has it that great wines are made from grapes  
grown in the stressed conditions of high places.  
Alterra... above the moist fog of the valley where  
water is rare, the personality of our grapes  
flourish. Cool at night, warm by day and a long  
consistent growing season produce acclaimed  
wines of mystical character and intensity.
