NAPA VALLEY

Sauvignon Blanc

Spring Mountain District

A wine created by friends, for friends

Spring Mountain, with its steep hillside plantings, produces wines acclaimed worldwide for their unmistakable intense flavor and delicate, balanced tannins. Its setting high above the valley floor provides it with warm, sunny mornings above the fog and cool evening temperatures. The region is shielded from intense afternoon sun by virtue of its location on the western side of the Napa Valley, ensuring slow, consistent ripening of the fruit.
