ALAMBRADO

ESTATE BOTTLED

We have been making wine on our family estate since 1963 combining the best in traditional winemaking with our enthusiasm for innovation. Malbec and Tempranillo are grown on our own vineyards using the special "Parral" trellis system. The low-yielding Tempranillo vineyards leads the way for this grape variety in Argentina. Married with Argentina's signature Malbec, it makes a great example of our quest to blend heritage with modern flair.
