Exceptional taste,
clean finish and
uncommon clarity...

CLEAR₁₀ Vodka.

The artisanship of CLEAR₁₀ Vodka begins with the highest quality water sourced from a natural alluvial aquifer.

Superior, hand-selected Midwest grains are then introduced to a four-column distillation cycle. This state-of-the-art technology is one of the most superior and efficient methods of distillation today.

CLEAR₁₀ is then slowly passed through a 10-step filtration line. This meticulous and time consuming process results in the most luxurious and subtle tasting vodka in the world.
