WHITE WINE

A direct translation of "Al dente" means "to the tooth". This Italian cooking expression is used to describe the desired consistency of pasta which has been cooked to be firm but not too hard, just perfectly cooked to the right point - perfetto! The Italians are well-known for being relaxed and easy-going, but they take both their pasta making and their wine-making very seriously, and so the Al dente wines have been mastered in true Italian style- perfectly to the point. This very fragrant and floral **Moscato** is very well balanced - also just perfect to the point! It is fresh and pleasantly with notes of exotic fruits and honey in the nose. This wine pairs wonderfully with sweet and spicy Asian dishes or salads.
