PREMIUM MALBEC
2012 RED WINE

ALGODON
WINE ESTATES

Production limited to 600 bottles. This represents the best selection from our 1946 Malbec vines, whose low yield produces full concentration of fruit and flavor. The grapes are harvested in late February, and attentively selected directly in the vineyards. After microvinification (a totally handmade process where the grapes are added unpressed into new French oak barrels for the first 60 days at a controlled temperature), it is then aged 24 months in the French oak barrels. This may be the best Malbec that our terroir and skilled winemakers have produced to date. This wine is the creation of Mauro Nosenzo and Marcelo Pelleriti, in collaboration with Anthony Foster, Master of Wine.

100% Malbec, harvested in March 2012.
Aged in french oak barrels for 24 months.
Bottled in June 2015.

Total Production 600 bottles
