Ben Franklin was quoted, "Wine makes daily life easy, less hurried, with fewer tension and more tolerance". Let's be real, the olden days were no picnic, people needed wine in a hurry. Therefore, they made orange wine.

Orange wine is simply white wine made using the red winemaking method. It saved people time when they didn't have to separate the juice from skins. English Newsom Cellars encourages you to open a bottle of this incredibly refreshing wine. The flavors in this orange wine are unlike anything else.

Cheers!!!!
