Buckwheat Honey Wine
with Cascade Hops

THE **BEERDED** ONE

Our new lightly hopped buckwheat honey mead will surprise and please. We've been listening to you. We know that your taste in libations leans toward the full bodied brews. You are the guy who would drink wine with his wife if it tasted more like a good stout beer. So we shredded the wine maker's manual and holed up in the wine cellar for as long our dog forgot us. We finally emerged with this unique honey wine in hand. (We also left plenty in the cellar to age for you!) Seriously, The Bearded One really is a wine and not a dark German beer! No hoity-toity high brow pretension here! ...just plain old rich and hearty brew pub taste in a specialty honey wine. We made it just for you. You can thank us later when you come back for more. "The Bearded One ...it's not your momma's wine."
