TEXAS ALCOHOLIC BEVERAGE COMMISSION

"CABERNET SAUVIGNON"

Among most, 2007 was considered to be an exceptional growing year in the Lodi grape region. We experienced consistently mild weather throughout the season and also had lower tonnage which caused the flavors of the fruit to really concentrate into the bunches that were on the vines. The Mencarini Brothers were so pleased with the crop that they decided to pick and produce the very first Cabernet Sauvignon for Abundance Vineyards. Along with our first release of Cabernet, we are pleased to also be opening our new tasting room on the very same ranch where the Cabernet Sauvignon and Petite Sirah are grown. We are finally able to bring the lifestyle of Abundance full circle - we have created an atmosphere reminiscent of traditional Italian family gatherings and have produced a wine that is perfect for your kindred table.
