Carole Salen's father withdrew from the co-op to bottle his first vintage in 1976. At a time when few dared, he farmed organically. In 1987 Carole joined him with degrees in viticulture and enology, and today she makes wine from their 62 acres in the limestone hills north of Aix with a deftly gentle touch: spontaneous ferments, minimal sulfur, ageing in large casks. You hold in your hand her rich Provençal blend of **Grenache (70%)** and **Cabernet Sauvignon (30%)**.
