ALEXANDER VINEYARDS

Our goal at Alexander Vineyards is to provide you with the best possible wines. Whether the fruit is sourced from our estate vines or halfway around the world, we strive to find some of the finest expressions of varietals available and produce wines of exceptional quality and integrity.

Our Rioja wines come from the coveted Rioja Alavesa Region in Spain. This white wine is made of **100% Viura** and is mildly acidic with notes of peach and nectarine. The finish is fresh and effervescent with a touch of mint.
