Our story began in **1971** when our parents, Susan Sokol and Bill Blosser, first planted vines in Oregon's Dundee Hills. As second generation winegrowers, we are passionately committed to our family's legacy of creating world-class wines which express our distinctive hillside vineyards. Our always intriguing Orchard Block is a 6-acre site which was once home to plum trees and a cherry orchard. Today, this block produces an elegant, well-rounded and textured pinot noir. Aromas of black cherries and baking spices give way to wild berries and dense earth on the palate. A beautiful wine worthy of aging.
