EXPRESIÓN RESERVE**

**CASABLANCA VALLEY**

Casablanca valley, recognized as Chile's premium cool climate viticultural region, enjoys sea breezes that extend the ripening period of the hand picked and specially selected grapes, thus maintaining their full flavours and intense aromas. This Sauvignon Blanc displays very complex aromas including citrus, floral, apricot, white peach and fresh passion fruit, with flavours of tropical fruit and citrus. It has an excellent structure, refreshing acidity and long crisp finish.

**GOVERNMENT WARNING:** (1) According to the Surgeon General, women should not drink alcoholic beverages during pregnancy because of the risk of birth defects. (2) Consumption of alcoholic beverages impairs your ability to drive a car or operate machinery, and may cause health problems.
