Cabernet Sauvignon

2019

TEXAS HIGH PLAINS
STEVE & CINDY NEWSOM VINEYARDS

ENGLISH NEWSOM CELLARS 2019 *Cabernet Sauvignon*

In the 17th Century of Southwestern France, an accidental crossing of Cabernet Franc and Sauvignon Blanc resulted in one of the most popular red wine grapes in the world—Cabernet Sauvignon. This wine came to fame as a varietal wine in Napa Valley and as the primary varietal in Bordeaux blends. Today we proudly grow the varietal in Texas and look forward to sharing it with you.

Cabernet Sauvignon displays warm aromatics of cherry and black currant. The rich and velvety tannins bring a balance to this varietal. There is a smooth finish that is filled with mixtures of red and black fruit, pepper, chocolate, coffee and vanilla notes. Pair this big Bordeaux varietal with a juicy steak, or braised beef short ribs. Cheers, from our family to yours!
