WINES OF PEPE GALANTE

One of the wines that first showed the world Argentina could make outstanding wines was a 1990 Chardonnay I made. Chardonnay became my wife Betty's favorite wine, and as I "search" (Puramun) for her love she pushed me to "search" for the best Chardonnay possible: elegant yet full-bodied with complex and rolling flavors of white flowers, citrus, hazelnuts and a tense minerality; a wine that could only come from Paraje Altamira's cold, high-altitude Uco Valley terroir, MENDOZA.

We invite you to discover in each bottle of Puramun the result of this passionate and endless search.
