**THREE CHORD
BLENDED BOURBON WHISKEY**

Just as a three-chord progression is at the root of the blues, music is at the core of Three Chord, a blended bourbon whiskey infused with a harmony of rich taste, complex structure, and smooth finish.

Three Chord is steeped in tradition yet revolutionary using rhythmic disruption and a secondary wood charring process that creates a melody of caramel, vanilla and maple notes.

Like the feeling you get when you hear that perfect song, you'll know Three Chord blended bourbon is right with that first sip.
