Deau Cognac

Over 300 Years of History:

Louis DEAU started growing vine under the reign of the "Sun King", Louis XIV (1638 - 1715). Jean-Marie DEAU became the Artisan master distiller of the company, and created this extraordinary Cognac.

DEAU VS Cognac is a selection of the best crus of the Cognac region, slowly aged in French oak barrels for a minimum of 3 years, giving it deep golden robe, a fresh bouquet of fruit and powerful oak aromas, with a subtle vanilla finish.

Enjoy responsibly either neat, on the rocks or as a long drink with a splash of water, tonics, sodas, or fruit juices
