3
BRIDGES
2006 CABERNET SAUVIGNON
RIVERINA

3 Bridges, adjacent to the historic, Wentworth Way, were built in the early 1900's to supply water from the Snowy Mountains via the Macintyre River, which is the lifeline of the Riverina. Winemakers Bill Calabrese and Bryan Dettie have produced this premium Cabernet Sauvignon from specially selected parcels of high quality fruit.

3 Bridges Cabernet Sauvignon is a fragrant wine with a blackcurrant, mulberry and cedar tone. The smooth palate of blackberries, five spice and chocolate is full bodied and rich, with a firm lingering finish. A wine to enjoy with roast meat and fresh herbs now or to cellar for several years.

"We are very proud of the achievement the 3 Bridges range has achieved and delighted to be sharing this wine with you."
