MENDOCINO
Charbono
organic wine

CONTAINS ONLY NATURALLY OCCURRING SULFITES
NO ADDED SULFITES

Alcohol 13.0% by volume

A mere 40 acres of this excellent yet unsung grape are grown in California; ours is sourced from Edward Graziano in Calpella, Mendocino County. Charbono ripens early and is often compared to Pinot Noir in character. Our 2011 Charbono has light floral aromas with flavors of brambles and mixed fruit compote. Starting with grapes grown on organic family farms, this wine was crafted in accordance with the USDA organic winemaking standards, with no added sulfites. We ferment our wines with traditional yeast. All Frey wines are organic, from the vineyard, to the cellar, to the table. No preservatives. Store in a cool place.

750 ML.
