DISTILLED AND BOTTLED BY BADLANDS DISTILLERY LLC KADOKA, SD

The name on the label originates in honor of the town of Weta located north of the White River in the Weta Basin of the Badlands. The town organized in 1907 when the Chicago Milwaukee Railroad helped to settle the area, and like so many pioneer towns of that time are now a thing of the past. Weta Latte is a Spirit with just the right blend of coffee and vanilla flavors so that you can enjoy by itself or put a little in your coffee. There's no time like the present!
