SMALL TOWN CRAFT SPIRITS

From Western Pennsylvania to the rolling hills of Kentucky, bourbon's origin is intrinsically homegrown in America. Bourbon can't even be classified as such unless it is made in America - small town America. These towns carry the passion, pride, and ingenuity that have transformed bourbon to the world class spirit it is today. Small Town Craft Spirits internalizes these values and incorporates them into every aspect of our distillation. Quality bourbon is always at the core of our spirit, so we add ingredients that enhance its flavor, not mask it. Our fathers might have taught us the recipe, but Not Your Father's Bourbon is evolving it.
