Legend has it that mystical things happen in high places... Zeus on Mount Olympus, Vikings entering Valhalla, King Arthur and Merlin spinning their magic from the heights of Camelot.

Fact has it that great wines are made from grapes grown in the stressed conditions of high places. Alterra... above the moist fog of the valley where water is rare, the personality of our grapes flourish. Cool at night, warm by day and a long consistent growing season produce acclaimed wines of mystical character and intensity.
