Merlot

Cerro Santo Vineyards
Texas High Plains
2018

The Merlot vines planted in our Cerro Santo estate vineyard are grown on their own roots, and are therefore true to their French origins.

Only a few places in the world are capable of growing ungrafted vines successfully, and our Cerro Santo Vineyard where the Merlot grapes are grown is among them. The full-bodied red they produce exhibits flavors of blackberries and dark chocolate with aromas of vanilla and cream. Our smooth Merlot is a perfect complement to pasta and meat sauce, roasted veggies, and garlic and herb cheeses.

At Adelphos Cellars,

We believe wine is all about family. The word "adelphos" translates to "brethren" from the ancient Greek. The certainty that sharing an inspiring bottle of great wine brings us together as brothers and sisters, mothers and daughters, fathers and sons, is what drives our passion for making this wine. We invite you to share the fruits of our labor, in the hope that enjoying this bottle with those you love will bind us all closer together as one family. Welcome to ours.
