This beer is an ode to simpler times. When you could enjoy your morning coffee on the front porch and wave to neighbors who pass by. Only, your coffee was a beer. Specifically, an Oatmeal Stout, but nobody knew because it was just as dark and rich and creamy. Those were good times (this morning). And this is great beer.

Gov't Warning: (1) According to the Surgeon General, women should not drink alcoholic beverages during pregnancy because of the risk of birth defects. (2) Consumption of alcoholic beverages impairs your ability to drive a car or operate machinery, and may cause health problems.
