Our 2 kilometer plot of vineyards is situated in Altamira, a special place, high in wilderness of the mountains, just southwest of the upper Uco Valley. Calcareous, colluvial soils with sand and rocks remind us of a distant, maritime history. Produced from Malbec and Cabernet Franc grown in the wildness of the desert, this blend offers dark fruit, floral, and mineral aromas, with a bracing yet smoothly-textured palate...a direct line to our high, mountain vineyards.
