2013 DCV10 ESTATE CHARDONNAY

The Russian River Valley is famous for its cool marine climate and sandy soils. These ideal ripening conditions are perfect for the delicate nature of the Chardonnay grape. Our estate DCV10 vineyard produces Chardonnay with balanced acidity and concentrated flavors. This wine was 100% fermented in French oak barrels and completed malolactic fermentation. Ten months of barrel aging rounded out its flavors and mouthfeel, creating a complex yet seamless wine. Scents of pineapple, citrus, green apple, coconut, and toasted oak abound. Complementary flavors dance across the palate and lead to a lingering finish. 324 cases produced. Founded in 1972 by David Stare, our family winery, located in the heart of Sonoma County's Dry Creek Valley, is dedicated to producing handcrafted, classically styled wines. We invite you to visit us on your next trip to wine country.
