Apocalypso is one of the few premium tequilas on the market that captivates and engages so many different senses all at once. The intriguing half-man and half-jaguar bottle represents the Maya's belief that the optimal spirit would have the spirituality and intellect of man and possess the instinctual determination and strength of the Jaguar. The artistic craftsmanship of the vessel that houses this beautiful artisan tequila is only the beginning. Our passion and commitment to make one of the best ultra-premium tequilas in the world is the driving force for Apocalypso Tequila to...BE LEGENDARY.

Our Anejo is finely aged for 12 months, resulting in a long, complex, and incredibly smooth finish. The extended resting time gives way to beautiful oaky characteristics paired with delicious flavorful hints of Sweetspice, vanilla, honey maple, and caramel. A distinctively rich complex flavor captivates the perfect blend of agave, sweetness and spice and the essence of Oak. As always, Please sip responsibly.
