HARD SELTZER ED HARDY: inspired by
the tattoo culture.

Ever since our brand has been out
into the world, we have witnessed
how people have adopted it as
their own, and they have done
this with such love, that our
renowned signature is taken with
them everywhere, as a tattoo.
This is why we now want them
to take us beyond their skin,
with a drink inspired on and for
them.

HARD SELTZER ED HARDY is not for
everyone. It is for those who
seek to be different to others,
truthfully - not half way through it
is for those few who dare to
show themselves to the world.
THIS IS ED HARDY, this is our drink.
