The 'little sweet one' is the literal translation of the deep colored, low acid, fragrant red from North West Italy. The heat loving grape ripens early, and produces a dry, soft, fruity red wine that is best left to itself, without blending or barrel aging. Here at McPherson Cellars we produce our Dolcetto with no oak, to maintain a style consistent with our old world counterparts. This well-structured wine has a profile of blackberry, liquorice, and almonds. A perfect everyday pasta wine!

McPherson Cellars was created to honor my father, Dr. Clinton "Doc" McPherson, a founder and pioneer of the modern Texas Wine Industry.
