HOP TO BE SQUARE

New England-style Haze is the New Wave in IPA. Copious amounts of Bravo, Sultana, and Azacca hops give a burst of orange, pineapple, and papaya, while oats add a silky smooth texture. The look, taste, and feel is at odds with traditional IPA drinkers. Haze fans insist the new style is here to stay and is good for you. Those clear IPA drinkers just don't get it. Whatever it is, don't try to fight it. It's Hop To Be Square!
