### NORDÉS ATLANTIC GALICIAN

Named after the mythical north-easterly wind that heralds the arrival of fine weather in Galicia, Nordés celebrates the essence of a land which lies on the Atlantic coast, long known for its native gastronomy. Botanicals grow wild throughout the region, time-honoured in local folklore: refreshing bay and soothing sage, along with the salty tang of samphire, hints of eucalyptus, the understated citrus flavour of lemon verbena, and the faintest murmur of mint. There are hints of Galician explorers from bygone times too, with juniper, cardamom, ginger, hibiscus and tea. To finish, our best-kept secret: distilled Galician wine, which is what gives our gin its unique character and flavour. A singular, aromatic and well balanced gin, which is perfect for enjoying time spent in good company, and savouring the smaller pleasures in life.

.....

Ullamado como el mítico viento que anuncia la llegada del buen tiempo en Galicia, nuestro ginebra reúne las esencias de una tierra atlántica, desde siempre gastronómica. Botánicos silvestres tradicionales convertidos en leyenda: la frescura del laurel, el sosiego de la salvia, el toque salino de la salicornia marina, briznos de eucalipto, la elegancia crítica de la hierbabuena, un soplo sutil de menta. Además algo de la Galicia viajera: enebro, cardamomo, jengibre, hibisco, té. Y por último, su secreto mejor guardado: su destilado de vino que le confiere un sabor y un carácter únicos. Una ginebra única, aromática y a la vez equilibrada, ideal para compartir en buena compañía y disfrutar de los pequeños placeres de la vida.
