PINOT NOIR

CENTRAL COAST

Our *Castle Rock Pinot Noir* is produced from grapes grown in the Central Coast region of California, where the climate and soil quality provide excellent growing conditions for this Burgundian varietal. Here, the cooling ocean breeze helps to produce a longer growing season for grapes, with extra grape-time on the vines leading to a characteristic depth of flavor in the wine. Our Pinot Noir is elegant and medium-bodied, offering aromas of cherry, tea and herbal spice. On the palate, the wine gives flavors of black cherry, plum and spice. It is smooth with a silky texture and mild tannins. This versatile wine pairs well with lamb, chicken, veal, salmon and light pasta dishes.
